To ensure a quality experience, we ask that you consider these policies as our client:

1. Supervised child care is not available at the studio. You may provide your own separate babysitter, who may stay with the child in the waiting area. Your child may NOT play unsupervised in the play area. We do not assume responsibility for any damages or injuries your child.
2. During the duration of your child's class, a parent/guardian is required to be present in the waiting area.
3. Please ensure children use restroom prior to class. If a child needs to use the restroom during a class their guardian is responsible to take them.
4. Please be mindful of noise once you enter the building as there most likely is another class going on.
5. Please do not come to class if you or your child is sick.
6. Have fun and let us know of anything we can do to serve you better

I have reviewed the above policies and understand and accept them.
